1. The attached memorandum was prepared in [REDACTED] for use by [REDACTED] in discussing the rubber situation with the Board of Trade. [REDACTED] and [REDACTED], are jointly concerned. However, bear in mind that the work was completed prior to the receipt of CIA/RR 6 [REDACTED] and the report has been changed in no respect as a result of #6. Priority of other studies and the usual manpower problem did not permit changes if you are to have this paper on schedule desired.
